Etenwolf X5 Pro Max Car Air Compressor, 11.03 bar, 8000 mAh

The ETENWOLF X5 Pro Max is a high-performance car air compressor equipped with an 8000 mAh battery, which ensures convenient, cordless operation in a variety of situations. The device reaches a maximum pressure of 160 PSI (11.03 bar) and a flow rate of 22 l/min at 30 PSI, allowing you to quickly inflate tires. The 135 W output power supports smooth and efficient operation, and the compact design makes it easy to store the compressor in your car and use it whenever you need it.

Reliable All Year Round

The compressor is designed to operate in a wide temperature range from -20°C to 74°C, allowing it to be used in both freezing and hot weather. With its high-capacity battery, cordless design, and
