Designed to complement the latest iPhone 18 Pro and Pro Max colours, the Grenen D3O magnet bumper case lets your phone’s original design shine through. The frosted clear back and carefully colour-matched bumper create a refined tone-on-tone look that feels like a natural extension of your device.

Beneath its sleek appearance, Grenen Ultra is enhanced with D3O® Zero™ technology. This advanced impact protection helps absorb and disperse shock, delivering up to 3m (10 ft) drop protection to help keep your iPhone safe from everyday accidents.

Despite its impressive protection, Grenen remains slim, lightweight and comfortable to hold, preserving the premium feel and elegant profile of your iPhone.
