Long-Reach 100W USB-C Sync & Charge Cable

The Verbatim Essentials 3-metre USB-C to USB-C cable delivers high power charging up to 100W, making it ideal for fast-charging laptops, tablets, and smartphones. With data transfer speeds of 480Mbps, it efficiently supports syncing and file transfer. Its long length offers greater flexibility for use in offices, homes or on the move, combining power and convenience in a robust white cable.
