Model: IMPACTMAGALZWIDET

Manufacturer: CELLULARLINE

EAN: 8018080522451

Product Code: 1557239

R1,259

Impact Clear Mag is the transparent case designed to provide advanced protection for Samsung Galaxy Z Fold8 Wide without altering its original design. The dual-material construction combines a rigid back resistant to impacts with flexible rubber edges that help absorb everyday shocks. The slim profile preserves the smartphone's elegance, while the dedicated hinge structure ensures a perfect fit and maximum convenience during use. The transparent finish enhances the Galaxy Z Fold8 design while providing reliable protection against bumps, scratches and accidental drops.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
