Model: 31820F

Manufacturer: INLINE

EAN: 4043718178674

Product Code: 1558021

R800

This InLine® Mini USB 2.0 flat cable makes it possible to connect multimedia and electronic peripherals and equipment such as mobile phones, video and digital cameras, card readers, hubs, etc., that use a mini USB connector as a connection port, easily recognisable by its 'TRAPEZE' shape. The flat shape of this cable favours its installation in special contexts, such as behind furniture, under carpets and others without loss of quality and data transmission capacity.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
