frequency dimming, and adaptive tone keep each moment easy to view.

Adventure Ready

From sudden rain to dusty streets, this is a travel partner built to endure. With advanced water, dust, and drop protection plus responsive touch, it stays reliable, no matter where the journey takes you.

50MP Ultra-Clear Main Camera

24mm Focal Length

f/1.8 Super Large Aperture

50MP Periscope Telephoto

73mm Focal Length

f/2.6 Large Aperture

50MP Ultra-Wide Camera

15mm Focal Length

f/2.0 Large Aperture

50MP Periscope Telephoto

Closer to Expression

Zoom past the crowds and capture what matters. The 50MP periscope lens with 3× optical zoom brings you closer to the emotion, the warmth in a smile, the spark in someone's eyes. Pull distant scenery into frame, compose naturally, and turn travel moments into a stunning portrait.

50MP Ultra-Clear Main Camera

Every Detail, Any Light

Powered by a large 1/1.56'' sensor and advanced image processing, the 50MP main camera draws in more light for exceptional clarity. From bright scenes to challenging lighting, shots captures rich detail while keeping both subject and background beautifully sharp.

50MP Ultra-Wide Camera

Go Wide. Go Bold

Step into every scene with style. The 0.6× ultra-wide lens turns travel moments into striking perspectives: dynamic, dramatic, and effortlessly cool. Every shot becomes a story worth sharing.

All-Focal-Length Hasselblad Portrait

Three Frames.

One Story

Capture the moment through three classic portrait focal lengths. From wide context to intimate detail, combine the frames into a striking collage that transforms a single instant into a layered, unforgettable story.

120× Super Zoom

Bring Brilliant Scenes Closer

AI-powered telephoto technology unlocks up to 120× super zoom, bringing distant scenes strikingly close. Capture details you could never reach before and turn faraway sights into vivid, share-worthy shots.5

4K 60fps Dolby Vision Recording

Capture Motion

Like a Movie

Capture your journey in cinematic 4K 60fps Dolby Vision with dual stabilisation (OIS and EIS). From fast streets to slow sunsets, footage stays smooth, vivid, and ready to relive.

Master Cut

Edit Like a Pro

Turn travel moments into movies with powerful Master Cut at your fingertips. Crop, stitch, split, and fine-tune each frame, add music and filters, then export in 4K 60fps HDR—ready to share instantly or play on the big screen.

Hasselblad Portrait Mode

Natural Portraits,

Iconic Depth

Capture travel portraits with medium-format depth and signature Hasselblad character. Natural bokeh, balanced light, and smooth tonal transitions bring images to life with striking authenticity.

Hasselblad Master Mode

Create with Total Control

Take full creative control with pro-level adjustments for ISO, shutter speed, focus, and white balance. With 16 customisable presets, you can shoot, edit, and share cinematic results—no desktop

required.

Hasselblad XPAN

A Legend, Reframed

Relive the iconic Hasselblad XPAN interface. Shoot panoramas with timeless style and beautifully refined image quality.

Your moments,

reimagined in

Motion Photo

Make your social posts pop. Combine Motion Photos with still images to create eye-catching visuals where subjects appear to leap beyond the frame, using a range of creative templates to turn ordinary moments into standout stories.

Lightning Snap

Never Miss the Moment

Freeze the action as it happens. Just hold the shutter and capture the jumps, laughs, and memorable moments in sharp, share-ready detail.

Seamless Animations

Fluid Movement.

Instant Response.

Every interaction responds instantly and every transition flows naturally. Seamless Animations extend across the system and apps, creating fluid movement and consistent responsiveness that makes every swipe, tap, and scroll feel effortlessly smooth.

All-New Live Space

Silence the Noise, Dive Into Immersion

An elegant space for your most important updates. Notifications gather into a sleek capsule that keeps your wallpaper centre stage, while fluid animations and tactile responses create a lock screen experience that feels immersive, responsive, and beautifully refined.

Luminous Rendering Engine

Brighter Performance, Smoother Flow

The Luminous Engine reimagines Android rendering with a unified architecture that removes barriers between system modules. By enabling independent rendering, it delivers smoother visuals, faster

responses, and deeply immersive interactions across every part of the system.

Less Doing, More Being.

OPPO AI brings intelligence closer to you. By understanding your habits and context, it anticipates what you need and handles complex tasks in the background. Turn scattered moments into seamless experiences so you can kick back and enjoy the journey.

AI Bill Manager

Multiple Tracking Methods, Every Expense Organized

Tracking your travel budget becomes effortless. Capture receipts, messages, or voice notes, and AI automatically reads totals, converts currencies, and organises, plus provides instant insights and smart summaries.

Your Devices, Perfectly in Sync

OPPO bridges the gap between ecosystems, enabling seamless connectivity across phones, tablets, and computers. Share files, notifications, and tasks effortlessly, so everything stays in sync—creating a smoother, more connected experience across all your devices.

Private Computing Cloud

Intelligence Without Exposure

Your most personal data stays where it belongs. With Private Computing Cloud, sensitive information is processed within a secure environment—keeping your data private, protected, and entirely under your control.

Trinity Engine x MediaTek Dimensity 9500s

Built for Speed,

Made to Last

Built on a 2nd-gen 3 nm process, MediaTek Dimensity 9500s delivers flagship-level performance with greater speed and efficiency.

Paired with OPPO's Trinity Engine, it intelligently manages system resources to keep gaming responsive, multitasking smooth, video capture stable, and battery life lasting longer—even under heavy load.

7025mAh Large Battery

From Sunrise to

Last Stop

Powered by OPPO's advanced silicon-carbon anode technology, the 7025mAh battery12 delivers massive capacity and extended cycle life for all-day endurance.

80W SUPERVOOCTM fast charging gets you back up to speed in minutes. From 4K video recording to navigation and streaming, enjoy longer-lasting power with quicker top-ups.

Play Hard. Stay Cool.

Vapor Chamber

Cooling System

From editing on the go to gaming between stops, advanced cooling keeps heat under control so performance stays fast, smooth and uninterrupted, throughout your journey.

OPPO Watch X3

Intelligence, Right on Your Wrist

Crafted from premium titanium alloy with a distinctive twelve-sided cosmic bevel design, OPPO Watch X3 combines ultra-light luxury with powerful intelligence. Your AI assistant is always within reach—helping you manage tasks, track health, and stay connected while you move through your day with confidence.

OPPO Enco Clip2 Open Earbuds

Effortless Comfort, Elevated Sound

Inspired by the flow of water, OPPO Enco Clip2 delivers featherlight comfort with a seamless, sculpted design. The ultra-thin nitinol alloy adapts naturally for a barely-there fit, so you can immerse yourself in sound whether you're commuting, travelling or unwinding back at the hotel.
