
InLine Internal Power 1x 4pin Molex / 4x 4pin Molex 0.45m + 0.55m

Model: 29654A

Manufacturer: INLINE

EAN: 4043718187249

Product Code: 1558599

R831

This Y-Form splitter cable allows you to power four HDDs and/or optical drives with a 5.25‘ (13.34cm) Molex power connector using a single standard output of a 5.25’ (13.34cm) ATX power supply. The 90-degree angled female connectors facilitate installation in the peripheral and internal organisation of the wiring inside the case.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
