

Rackmount.IT RM-UB-T7 rack accessory Firewall rack mount

Model: RM-UB-T7

Manufacturer: RACKMOUNTIT

EAN: 8720297441387

Product Code: 1559604

R4,353

The RM-UB-T7 is designed for quick and efficient installation. It securely mounts a Ubiquiti USW-Ultra and/or UCG into a 1U rackmount. This rackmount is custom-built for a perfect fit, ensuring maximum stability while keeping your devices easily accessible.

With tool-free assembly, setting up the RM-UB-T7 takes just 3 minutes. Simply slide your appliances into the kit, secure them with the integrated retainers, and connect your cables. No additional tools are required.The power supply is firmly secured, and a strain relief prevents the power cable from accidental disconnections. With front-facing connections, managing your setup is simpler and more efficient, reducing downtime and improving accessibility.The RM-UB-T7 is the ideal choice for professionals seeking a fast, secure, and tool-free rackmount solution for their Ubiquiti USW-Ultra and UCG.
