R9,850

Celebrate the 55th Anniversary of the Ferrari 250 GTO sports car by becoming one of the select, happy few to get your hands on a limited edition wheel replica of one of the most famous cars in Ferrari’s 70 year history. This authentic replica wheel provides not only a unique vintage feeling in PC games such as the Assetto Corsa 1962 250 GTO DLC but is also a superb collector’s item to proudly display at home. This visually stunning 8:10 scale replica measures 13’’/33 cm in diameter, with a genuine wood finish, metal faceplate and chrome logo plate comes in a collectors gift box with a hot-stamped inner foam display!

Officially licensed by Ferrari
