

Chieftec HUNTER 2 Midi Tower Black

Model: GS-02B-OP

Manufacturer: CHIEFTEC

EAN: 753263078476

Product Code: 1561334

R2,299

The CHIEFTEC Hunter 2 builds on the success of the original Hunter ATX gaming case with a larger Mesh area for optimized airflow and brushed aluminum panels for a clean and elegant design, while upgrading functionality to include a hinged tempered glass door and USB Type-C on the top IO.

With 4 pre-installed rainbow A-RGB fans connected to a control hub that allows for M/B sync and fan speed control, 360mm radiator support, and a max GPU length of 320mm, the CHIEFTEC Hunter 2 is ready to support modern gaming systems.
