Model: BOOK3GALA57K

Manufacturer: CELLULARLINE

EAN: 8018080514715

Product Code: 1561355

R1,066

BOOK 3 is the book-style case designed to perfectly fit the shape of the phone, offering full protection for the back, edges, and display. The side magnetic closure keeps the flap securely shut, while full access to buttons and ports ensures maximum practicality. The internal card pocket features the Easy Card Remove system for easy card extraction. A functional and minimalist accessory, ideal for everyday use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
