Key benefits:

This cover features raised edges and built-in corner protection that shield the display and the camera from potential damage. A built-in magnet enables seamless wireless charging. It is designed to protect your phone from scratches and drops through everyday use.

Responsibly produced

The cover contains **85%** Global Recycled Standard* certified **recycled** post-consumer **TPU**, certified by Control Union 1409828.

The cover is packaged in a plastic-free box made FSC paper, printed with solvent-free soy ink.

INFINITE is eSTUFF's product line for products made with an individually defined percentage of recycled materials. More information can be found on each product in the **INFINITE** series.

* The Global Recycled Standard verifies recycled material and tracks it from the source to the final product. In addition, facilities from the source to final supplier have met social, environmental, and chemical requirements.
