

j5create JCD367 Flexible Ports USB-C® Dual 4K60 HDMI™ Hub - Pro 12-in-1, Black/Grey

Model: JCD367-N

Manufacturer: J5CREATE

EAN: 4711704920001

Product Code: 1561440

R2,725

This USB-C® Flexible Ports - Pro 12-in-1 delivers powerful display performance and versatile connectivity for both work and play. It supports dual 4K HDMI™ outputs up to 3840 x 2160 @ 60 Hz, enabling smooth multitasking across two displays. Gamers can enjoy ultra-smooth visuals with 1920 x 1080 @ 144 Hz or 2560 x 1440 @ 120 Hz refresh rates under Windows®. Equipped with three SuperSpeed USB-C® 5Gbps ports or three USB-A 480Mbps ports, it easily connects to peripherals such as keyboards, mice, and external drives. The built-in SD™ and microSD™ 3.0 card reader makes media transfer quick and convenient. With up to 100W USB-C® Power Delivery, it powers and charges laptops and connected devices efficiently. A Gigabit Ethernet port ensures fast, stable wired internet connectivity. The dock is plug-and-play with no driver installation required, and supports dual 4K60 HDMI™ on compatible USB-C® laptops with DisplayPort™ 1.4 MST. Whether for professionals, creators, or gamers, this docking station offers an all-in-one solution for enhanced
