Product description

The flexi whisk is the innovation under the balloon whisk. With its numerous swinging beads, a large amount of air gets under the mass, thus there are no clots. It takes just seconds to stir soups or beat creams due to the natural vibrations of the beaded wires. The wires also reach the corners of pots and bowls and cannot stick to the bottom of the pot due to the large beating area. Nothing sticks between the wires so the flexi whisk is hygienic and easy to clean. The Profi Plus series is a range of matching, practical kitchen utensils for every activity and type of preparation. Serve in style with a sauce ladle, ice cream scoop, kitchen scoop and a mesh strainer. Flip over roast potatoes, steaks, breaded fish or caramelised fruit with a choice of attractively designed, polished stainless steel turners with non-stick plastic to protect your pans. Even tricky tasks such as coring apples, scooping tasty fruit balls or descaling fresh fish suddenly become effortless with the Profi Plus range. Get stirring, peeling, flipping, slicing and mashing! All Profi Plus kitchen utensils are premium quality,
