The intense flavor of freshly ground nutmeg

Spices are always better freshly ground. With the WMF Nutmeg Mill, the intense flavor of fresh nutmeg becomes the perfect accompaniment to a wide range of recipes, from tasty curries to delicious custards. Its unique spiked design holds the nutmeg securely in place for easy grinding, while an integrated, airtight compartment conveniently stores whole nutmegs when not in use. Crafted from stunning Cromargan® and high-quality plastic, this sleek yet robust kitchen tool is dishwasher-safe for effortless clean-up.

Easy grinding

The spiked design ensures the nutmeg is held securely in place, for easy grinding.
