Product description

The beautifully shaped design is timeless and reminiscent of current and stylish food-related topics. The highly polished surface gives the items a sophisticated look.

The fine variant for eating steak: High quality forged steak knife and fork with oiled and riveted real wood - Ranch! Barbecued food tastes particularly delicious when it is crispy on the outside and tender and juicy on the inside. The steak knife has a particularly sharp blade made of special blade steel and has a serrated edge. The knife handle lies comfortably in your hand. The steak fork has extra long and sharp teeth. You can cut into baked potatoes, vegetables or salad with the widened outer edge. The steak knife and fork are a must at every barbecue party!
