R1,084

The Conceptronic CUSTODIO01BW Combination Laptop Lock is designed to provide reliable physical security for laptops and compatible devices in offices, schools, libraries, and shared workspaces. Compatible with Wedge Security Slots (3.2 × 4.5 mm), it offers a practical solution to help deter theft and protect valuable equipment.

The secure 4-digit combination lock allows keyless operation, making it convenient for daily use without the need to carry or manage keys. Its simple locking mechanism helps users secure their devices quickly and efficiently.

Built with a heavy-duty 4 mm diameter cable and a 1.8 m length, the lock provides dependable strength and flexible reach for attaching devices to desks, tables, or other fixed objects. Compact,
