Everyone deserves a treat now and again, and there is nothing better on a hot day than fresh, home made ice cream, sorbet or frozen yoghurt. With this versatile frozen dessert maker attachment you can control the flavours in the comfort of your kitchen.

EASY TO USE

Sitting snugly inside the bowl of your Kenwood Chef, the attachment comes with all you need, including pre-freeze bowl, mixing paddle and bowl adaptor.

CHILL AND SERVE

Freeze the bowl, churn your ingredients, and simply eat the mouth watering soft serve ice cream, or return to the freezer for a firmer result.

CHOOSE YOUR FLAVOURS, CONTROL YOUR INGREDIENTS

As with all things home made, adapting for taste is part of the fun. Cater easily for lacto-free, keep additives at bay, and with a 1L bowl, make sure you always have plenty of your favourite flavour in the freezer.
