KITCHEN SCISSORS

No kitchen is complete without culinary scissors—and choosing the right pair can make all the difference. WMF makes it easy, offering high-performance kitchen scissors designed to meet all your culinary needs day after day with premium materials and exceptional sharpness that stands the test of time. Discover perfect cutting made easy: Extra-sharp blades at a curved angle, a high-precision cutting edge and dual contact points, with soft-touch handles, enhanced ergonomics, a micro-serrated edge ensuring total precision, practical extras and expert craftsmanship in long-lasting Cromargan®: 18/10 stainless steel—hygienic, acid-resistant and extremely hard-wearing with an exquisite semi-matte finish. Dishwasher safe.
