

Kenwood KAT001ME Adapter

Model: AW20011006

Manufacturer: KENWOOD

EAN: 5011423182612

Product Code: 1563244

R977

Do you own a Titanium, Classic or Premier kitchen machine?

The Chef Twist To Bar adapter allows you to use our newer Twist attachments with your food mixer, without having to replace your machine.

The adapter easily attaches to the slow speed outlet, so you have full flexibility to create a whole range of delicious dishes and treats using one machine.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
