GEX 12V-125 Professional: Further information

Product Highlights

The GEX 10.8V-125 Professional random orbit sander is the compact solution for always-on-the-go professionals. Its outstanding balance close to the workpiece and the supreme ergonomics of the palm rest and grip ensure optimal tool control. Defined by its lean and compact design, this 12 V random orbit sander makes sure to reach into tight corners. Its intuitive operating concept makes handling easy.

Equipment & Application

The cordless GEX 10.8V-125 Professional is intended for basic sanding, in-between sanding, lacquer removal, and finishing surfaces. It is applicable on wood, veneer, lacquer, and filler, as well as mineral and acrylic. It is compatible with the Professional 12V system as well as Bosch's Click & Clean dust extraction system.

Additional Information

The GEX 10.8V-125 Professional also features a dust bag, speed selection, battery status indicator, a brushless motor, and a 125-mm sanding pad fitted with a hook-and-loop system for fastening sanding sheets.
