Model: 452-BCCW

Manufacturer: DELL

EAN: 5711783911326

Product Code: 1563628

R4,850

The Dell Dock provides a common docking experience for both Dell and non-Dell platforms via Display Port over USB Type-CTM, ensuring a reliable connection and crisp display. The dock connects with a single cable, freeing up space on your desk and in your workspace with the added ability to mount behind a monitor or on your desk. Great for presentations, the small and compact Dell Dock enables fast, efficient connectivity to multiple displays and all your everyday peripherals through one convenient cable.

Single Cable Connectivity

Featuring a powerful DisplayPort over USB Type-CTM cable, with the Dell Dock you can quickly connect your laptop or tablet to a single data and power source up to 130W for Dell devices and 60W for non-Dell devices. You'll also enjoy an easy, reliable connection from your laptop or tablet to dual FHD displays or a single 4k display @ 30Hz, and all your essential peripherals.

Small Footprint and Big Flexibility

The Dell Dock is small in size-just 6.1 x 4.3 x .83 inches (15.49 x 10.92 x 2.11 cm)-and has one single cable. Place it anywhere you want to work-in your traditional office workspace, a hot desk or a conference room-even if space is limited.

One dock for all

The Dell Dock is compatible with select Dell laptops, workstations, tablets and many compatible non-Dell devices with USB-Type CTM port(s) having data, video, and power capabilities. Easily connect to displays, a mouse, keyboard and audio devices through the Dell Dock from your compatible system of choice.

Connect for collaboration

Grab your laptop and head to the next meeting where you, and your co-workers, will be able to quickly connect to the Dell Dock and share your latest PowerPoint presentation through a connected display screen or projector.

Enhanced video performance

USB Type-C connectivity is the latest and extremely reliable technology for video performance. Your display will be crisp and clear.

Connections and Features:

- Supports 2 FHD displays
- Two USB 2.0 ports
- Three USB 3.0 ports
- Speaker output (rear)
