Subtle and stealthy design

Featuring a reflective ROG logo, zipper details, and a minimalist flap-top functional design, this bag also comes with a detachable key chain, a built-in name patch and a bright inner liner to make finding your items easier, as well as two expandable side pockets for umbrellas and water bottles.

Protect what matters

With capacity for up to a 13” laptop, the interior of the tablet compartment is covered in Poly Velboa fabric and secured with a magnetic closure and YKK zippers for safe and secure transport. With multiple pockets and compartments, you can easily carry a laptop, portable gaming device and a mobile phone all at the same time.

Lightweight and weather tested

Built with top of the line Cordura fabric, this durable and lightweight bag is also water-repellent for all weather peace of mind.
