Ready to Get Real?

Plan your next move. Scan the horizon for friends or foes, camouflaged traps or hidden treasure. EX3210U delivers detailed landscapes with clear, vivid graphics and smooth, tear-free images.

A Sound Decision

Gaming audio advances the adventure and guides your actions. An upgraded sound system warns you of approaching enemy footsteps, hear the crash of weapons and revel in the sounds of victory. Plus, the various built-in sound modes let you hear your teammates clearly. Now you're ready for battle.

Bongiovi DPS sound technology is employed to augment depth, clarity, bass definition, presence, and enhanced stereo field imaging.

AI Noise-cancelling Microphone

Adapt your audio to your scenario. Engage Private Mode to pick up directional input and filter ambient sounds. Omnidirectional Mode picks up ambient audio for a surround sound feel.

Light Tuner

Light Tuner lets you choose from 20 color settings for your favorite effect. Whether you play FPS or RPG, you decide how your game looks for your best experience.

Scenario Mapping

Pair each of your Quick OSD presets with an input. Simply change your input and your settings automatically adjust.

Geared for Gaming

Customize your settings to your preferences. Game seamlessly with native 4K graphics at up to 144Hz. Connect your peripherals via HDMI 2.1. We respect your preferences and empower you with
