The Manhattan Snap phone case is made for the urban traveler and trailblazer. It doesn't just protect; it enhances your phone user experience. Manhattan Snap is strengthened with Graphene, and it provides up to 13 feet of drop protection. This silicone case has a premium soft-touch surface and textured sides that provide a secure, comfortable grip you can hold for hours. And it won't tug or pull when you slip in and out of your pocket. The magnetic Manhattan Snap case is compatible with MagSafe and magnetic accessories.
