R1,972

If your style matters to you, it matters all the time. Now you don’t have to compromise on style when you travel. With plenty of power to give you the results you need, super light weight design and a completely unique folding head system – the Tefal Access Steam Pocket has everything you need to make your garments look fantastic. Just whip your stylish garments out and hang them up. There’s not even time to post an Insta story, with the rapid 15 second heat-up time you’re in business straight away. Just watch the creases gently fall out right in front of your eyes. The natural power of steam kills 99.9% viruses, bacteria and germs*. It doesn’t matter what kind of fabrics you travel with either, a garment steamer is safe for them all. There’s only one question – when you step
