R2,760

Perfectly designed for entertainment

Enjoy your favourite TV shows in enhanced sound quality delivered by this 2 channel sound bar with a Bass Reflex speaker. The HT-SF150's slim profile design fits easily in your home and sits comfortably within any interiors.

2 channels

The two speaker setup delivers front surround sound from a compact unit.

Bass Reflex speaker

A speaker that delivers punchy bass without compromising detail and clarity, perfect for enjoying TV shows and music.

Perfect pairing and simple connectivity with your TV

Connecting to your TV has never been easier. With HDMI ARC, one cable gives an easy connection for all your TV audio. You can control both with just one remote.

One Cable HDMI ARC

Send audio and control information from your TV using just one cable with HDMI ARC.

Hear sound come from all around

Our virtual surround sound technology puts you right at the heart of the movies you love by emulating cinema style surround sound.

Enjoy all your music

Connect via USB to play your favourite tunes or stream wirelessly over Bluetooth.

Stream with Bluetooth technology

Stream music wirelessly with Bluetooth technology.

Connect via USB

Plug in via USB to play back your favourite albums.
