Drop it like it's hot: 10 times in the test! The mobile phone case is made for the most extreme conditions - drop-proof up to a height of 3.5 m, tested and certified to military standard MIL-STD-810Hw

## **Scratch protection deluxe**

Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket

## **Anti-yellow tint**

Transparent mobile phone cover with no yellowing: long enjoyment of your cover since the special material composition delays yellow discolouration

## **Compatible with Apple MagSafe and magnetic Hama chargers**

The mobile phone case is compatible with original Apple MagSafe and magnetic Hama Wireless Charging chargers

### **For magnetic accessories**

Compatible with magnetic accessories from Hama

### **Magnetic ring for perfect wireless charging**

Integrated, perfectly orientated magnetic ring allows wireless charging

### **Auto-positioning**

Perfect auto-positioning, optimised for wireless chargers

## **Camera protection through raised edges**

Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos

## **Edge protection for the display**

---

Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected

## **Custom-fit**

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

## **Protected side buttons**

A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

## **Anti-slip surface**

Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case

## **Plastic-free**

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

## **FSC**

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
