R6,339

Product Highlights

The GIC 12V-4-23 C Professional inspection camera is the ideal tool for HVAC/plumbers, car mechanics, or electricians. It has a large 4.3" monitor that displays clear, high-definition images of 800 x 480 pixels, enabling quick and intuitive analysis of pipes, ducts, or other hard-to-reach areas. Image orientation is easily determined thanks to the handy Up Indication feature that always points upwards. This ergonomic camera is robustly designed for use on tough jobsites and hard-to-reach
