The Turtle Beach® VelocityOne™ Flightdeck is a premium simulation HOTAS system for Windows 10 & 11 PCs, designed for enthusiasts who demand the best. Inspired by advanced spacecraft and state of the art jet fighters to provide the ultimate HOTAS experience for all major combat simulation titles with the future in mind. Comprehensive controls including 15 axes and 139 programmable functions keep you immersed in the action, with your hands on the controls. World's first Flight Touch Display, and an OLED Head Up Display deliver unprecedented levels of performance optimization, and product customization. Plus, the Flight Hangar app for desktop provides even more product customization and RGB lighting adjustment. (109)
