

DELL 540-BBDW network card Internal Fiber 10000 Mbit/s

Model: GCCFM

Manufacturer: DELL

EAN: 5704174253136

Product Code: 1566787

R2,602

The Intel X520 DP 10 Gb DA/SFP+ server adapter from Dell is a high performance adapter designed for the high-speed PCI Express bus architecture. It offers increased bandwidth, reliability and enhanced functionality. The dedicated input/output (I/O) bandwidth of PCIe ensures priority performance on the port - without bus sharing - for Gigabit Ethernet connectivity.
