

Bosch 2 608 600 223 angle grinder accessory Grinding disc

Model: 2608600223

Manufacturer: BOSCH

EAN: 3165140116442

Product Code: 1566807

R833

PRO Metal for Long Life Grinding Metal

We made the PRO Metal for metalworkers who need a reliable and long-lasting grinding disc to grind metal.

The durable PRO Metal Bonded Grinding Disc uses high-quality aluminium oxide grains to grind metal and steel efficiently. The grains, combined with functional fillers and embedded in a phenol resin matrix, ensure strength, resistance to heat, and stable performance. A precision-made fibreglass net reinforces the disc for additional safety.

Specification - A 30 T BF.

Diameter mm - 125.
