Bosch GDS 18V-1050 HC 1750 RPM Black, Blue

Model: 06019J8200

Manufacturer: BOSCH

EAN: 4059952509907

Product Code: 1567655

R7,958

Product Highlights

For tough, full-power application, the GDS 18V-1050 HC Professional impact wrench with BITURBO Brushless technology delivers a high-level performance and adjustable mode control. Built-in BITURBO Brushless technology is fully optimised for ProCORE18V batteries, providing a strong 1,050 Nm tightening and 1,700 Nm breakaway torque. High versatility is provided by two default modes on the user interface, metal mode (A) and wood mode (B), preventing broken screwheads and the loss of metal bolts or nuts, by slowing down or shutting off the impact wrench. All modes are quickly customised via the Bosch Toolbox App. Three different speed/torque settings ensure higher flexibility and control.

Equipment & Application
