Model: 4060295

Manufacturer: THRUSTMASTER

EAN: 3362934003722

Product Code: 1570172

R1,907

The T818 inaugurates the new Quick Release Adapter for the Thrustmaster steering wheel ecosystem. With this one, you no longer need tools! Equip your Thrustmaster steering wheels with the Quick Release Adapter to make them compatible with the T818 base and take full advantage of its quick-release system by changing steering wheels in 5 seconds. The Quick Release Adapter is available separately to allow players to equip all of their steering wheels and thus be able to quickly change configuration during the game.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
