Get protection against hazardous dusts and mists with 3M Particulate Respirator 8710. Tried and tested for over 40 years, our classic, cup-shaped disposable respirator provides secure and comfortable FFP1 (NPF 4) protection against dusts and mists. With a durable, collapse-resistant inner shell and convex shape, the lightweight, twin-strap design features a nose clip and soft nose foam to help you get a comfortable, secure fit across a broad range of face sizes.
