Automatic switch-on and switch-off

Save battery even without pressing a button: The integrated magnet in the tablet case switches the Samsung Galaxy Tab on when the cover is opened and off when it is closed

Stable two-stage stand function

Stable stand for the tablet: simply fold out the front cover on the tablet case, set the tablet up and use it comfortably for working - just two steps to the perfect viewing angle

Transparent back

Stylish, transparent back: even in the case, the tablet's design remains visible - safe handling and a high-quality appearance combined in one tablet case

Full access

With the tablet in its case, you have everything to hand: cut-outs allow full access to ports and control elements - all buttons, sockets, etc. are accessible as normal

Pleasant to the touch

Fits well in the hand: the practical tablet cover in an elegant design impresses with its particularly pleasant feel and wipe-clean surface

Lightweight and durable protection

Reliable protector: the sturdy upper material is durable and lightweight
