

SAVIO VELOX 360mm CPU Liquid Cooler with ARGB

Model: VELOX 360 MM

Manufacturer: SAVIO

EAN: 5901986049142

Product Code: 1572145

R2,131

Compatible products: Compatibilidad con Intel: LGA 775 / 1200 / 1151 / 1150 / 1155 / 1156 / 1366 / 1700 / 2011 / 2066 Compatibilidad con AMD: AM4 / AM5 | Safety warning: Safety conditions for heat sink and fan • Use the product in accordance with its intended use, as im- proper use may damage the product. • Do not expose the device to moisture. • The device should be cleaned only with a dry cloth. • Independent repairs and modification result automatic loss of the warranty. • Hitting or dropping may damage the product. | Technical features: Technical specification: • TDP: 300 W • Cooling standard: 360 mm • Radiator dimensions: 397 × 120 × 27 mm • Cooling pipes length: 460 mm • Heat sink material: Aluminium • Water block base material: Copper • Number of fans: 3 × 120 mm • Fan power connector: 4-pin (PWM) (male + female) • Fan LED connector: 3-pin (male + female) • Pump power connectors: 3-pin • Pump LED connector: 3-pin (male + female) • Fan speed: 900 - 1800 RPM • Pump speed: 2250 - 2750 RPM • Intel compatibility: LGA 775 / 1200 / 1151 / 1150 / 1155 / 1156 / 1366 / 1700 / 2011 / 2066 • AMD compatibility: AM4 / AM5 • Set contents: Radiator with pump, 3 × 120 mm fans, mounting accessories, thermal paste, user manual | Certification: This

symbol indicates that electrical appliances should not be discarded with other household waste.

Used equipment should be handed over to a local collection point for this type of waste or to a recycling center. Please contact your local authorities for information about disposal methods available in your area. Waste electrical equipment may contain hazardous substances (e.g. mercury, lead, cadmium, chromium, phthalates) which can get into air, soil and groundwater when leaking from used appliances. Environmental pollution with these substances leads to their bio-accumulation, causing lesion of disease in living organisms, which would pose a risk to human and animal health or life. Households may contribute to environmental protection by proper waste collection. In such way, hazardous substances from the equipment are neutralized and valuable secondary raw materials are reused for production of new equipment. | Fan 2 rotational speed (max): 1800 RPM | Waste Electrical and Electronic Equipment (WEEE) compliance: Yes | Product or Article Information Sheet available?: Yes | Fan 2 rotational speed (min): 900 RPM | Warranty period: 2 year(s) | Illumination LED: Yes | Suitable location: Processor | Mounting kit: Yes | Supported processor sockets: LGA 1156 (Socket H) | Supported processor sockets: LGA 1700 | Quantity per pack: 1 pc(s) | Supported processor sockets: LGA 775 (Socket T) | Supported processor sockets: LGA 1150 (Socket H3) | Supported processor sockets: LGA 2011 (Socket R) | Supported processor sockets: LGA 2066 | Pump connector: 3-pin | Supported processor sockets: LGA 1151 (Socket H4) | Supported processor sockets: LGA 1200 (Socket H5) | Fan diameter: 36 cm | Height: 450 mm | Package weight: 1.97 kg | Supported processor sockets: LGA 1155 (Socket H2) | Material: Copper | Fan diameter 2: 12 cm | Fan connector: 3-pin | Batteries included: No | Type: All-in-one liquid cooler | Rotational speed (min): 900 RPM | Weight: 1.53 kg | Number of fans: 2 fan(s) | Product colour: Black | LED connector type: 3-pin | Pulse-width modulation (PWM) support: Yes | Material: Aluminium | Installation instruction: Yes | Width: 205 mm | Rotational speed (max): 1800 RPM | Depth: 150 mm | Number of screws: 24 | Remote control included: No | Illumination colour: Mono | Manual: Yes | Thermal grease: Yes | Screws included: Yes | Thermal pad included: No
