Glorious Mouse Grip Tape

Lightweight anti-slip full body mouse grip tape for maximum gripping power. Pre-cut design for quick installation.

Premium grip tape for maximum gripping power

Introducing Glorious Grip Tape

The latest in our line of gaming accessories designed to help optimize your gameplay performance. The Glorious Grip tape is a full body skin that increases your mouse grip, allowing for better flicks, handles, and control - essential to any serious PC gamer.

The innovative & stylish low-profile design allows for a reliable grip, sweat resistance, easy application, and a slick look. Available for all models of Glorious mice.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
