ASUS ProArt PA602 Midi Tower Black

Model: 90DC00J0-B09000

Manufacturer: ASUS

EAN: 4711387338490

Product Code: 1574421

R5,443

Flow with the Breeze

Engineered for optimal airflow and enhanced cooling, the ProArt PA602 case is a dream for creative professionals seeking focused workflows. With a front panel designed for maximum air intake, thick pre-installed 140 mm rear fan and two 200 mm front fans, an integrated fan hub and support for a 420 mm radiator on the top, it delivers top-tier performance right out of the box. The ProArt PA602 caters to those in search of high-end thermal solutions. Meanwhile, a minimalist design ensures creators can work with fewer distractions.

COOLING

Air Superiority

The PA602 features a 15.5 mm open front grill with 45% porosity to maximize airflow and ventilation. Meanwhile, extra-thick PWM fans yield very high airflow and pleasant acoustics, and pre-installed dual air deflectors work in concert to help centralize cool air for both graphics cards and

CPU cooler air intake, enhancing cooling efficiency for the whole system.

AMPLE SPACE

Space for Powerful Components

The ProArt PA602 supports one 420 mm radiator for AIO cooling or custom liquid-cooling loops. It also provides sufficient space for the beefiest graphics cards in both horizontal and vertical mounting positions.

DESIGN

Creator-friendly Design

The ProArt PA602 streamlines your PC building experience with a full suite of innovative features, and it’s primed for convenient everyday use with automatic dust detection, built-In wheels for effortless moving and more.

CONNECTIVITY

Front I/O Optimized for Creators

Thoughtful touches streamline the day-to-day experience for artists and designers.

EXPANDABILITY

Superior Storage Expandability

This chassis supports up to four HDDs or up to eight SATA SSDs, ensuring ample storage capacity for your data storage needs.
