Axagon RHD-435 bracket for 4x 2.5" or 2x 2.5" HDD/SSD & 1x 3.5" HDD into 5.25" bay, metal

Model: RHD-435

Manufacturer: AXAGON

EAN: 8595247905505

Product Code: 1575325

R648

The AXAGON RHD-435 metal frame for mounting up to four 2.5" HDD / SSD or for mount two 2.5" and one 3.5" drives into 5.25" position of the PC case.

This reduction cleverly solves the problem of placing 2.5" or 3.5" disks in different types of computer cases. In the upper position, standard 7 mm SSD and 9.5 mm HDD 2.5" drives can be used. The lower position is for a standard 3.5" hard disk alternatively for 2.5" SSD / HDD without disk height limitation.

Precise holes and supplied screws ensure easy and trouble-free frame installation into the computer case. The metal structure and frame profile help dissipate the heat from the disk.
