Integrated, retractable charging cable

USB-C cable always with you: if required, the cable can be pulled out up to 30 cm and automatically rolled back into the housing after use, without any cable clutter

Battery-sparing charging

Optimised charging protects the battery and therefore prolongs the lifespan of mobile phones, tablets, etc.

Safe charging

Certified cells for maximum quality and safe charging: overcharge, overvoltage, overheating and short circuit protection

Compact and lightweight construction

Small and lightweight: the mobile charger fits in any pocket and hand luggage

Powerbank with display

At a glance: The handy display on the fast-charge powerbank shows how much energy is still available in the mobile charger

Universal use

Maximum compatibility for all mobile phones, tablets and other devices, e.g. smart watch, digital camera or Bluetooth headphones
