Product Code: 1575958

R3,357

The TexStyle 9 is Braun's most powerful steam iron which features 3200 watts of power and is equipped with the world's first FreeGlide 3D Technology. On top of that, it features the new ActiClean System. This uniquely designed calc collector makes descaling less of a hassle and 100% more effective, prolonging the lifespan of your steam iron. TexStyle 9 also features iCare Technology, which protects your clothes with a safe temperature for all kinds of fabrics — for smart textile protection.

ActiClean System

A uniquely designed calc collector makes descaling 100% more effective and less of a hassle, prolonging the lifespan of your steam iron.

The world's first FreeGlide 3D Technology

Its unique upward curving soleplate guarantees 360° glideability. Glide backwards over any obstacle like buttons and pockets.

Descaling reminder

The iron automatically tells you when it's time for descaling for a long-lasting steam performance.

Vertical steaming

Fast and easy touch-ups without an ironing board. Use the steam shot vertically for quick refreshing of slightly wrinkled clothes and curtains.

Easy refill 330ml

Enjoy faster and more convenient refilling thanks to a large water tank opening.

iCare Technology - for all kinds of ironable fabrics

Smart iCare mode protects your clothes with a safe temperature. Faster, easier ironing.

Precision Tip

Allows you to easily remove the toughest wrinkles from hard to reach areas like collars and seams.

Braun's most powerful steam iron

Powerful 3200 watts to make quick work of the toughest creases.

Anti-drip

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

The improved anti-drip system ensures that no water escapes from the soleplate, even when ironing at low temperature.

Energy saving

Saves up to 70% energy when operated in Eco mode compared to Turbo mode.
