

Mikrotik SXT SA5 ac White Power over Ethernet (PoE)

Model: RBSXTG-5HPACD-SA

Manufacturer: MIKROTIK

EAN: 4058829470883

Product Code: 1576594

R2,967

The **MikroTik RouterBOARD SXTG 5HPacD SA** is a high-performance wireless device designed for outdoor use, providing reliable connectivity in various environments. This product, identified by the code **RBSXTG-5HPACD-SA**, is part of MikroTik's renowned line of networking solutions, known for their durability and efficiency. With its compact design and robust features, it is an ideal choice for both residential and commercial applications.

Equipped with a powerful **5GHz** radio, the **SXTG 5HPacD SA** offers exceptional data transfer rates, making it suitable for high-demand tasks such as video streaming and online gaming. The device supports **802.11ac** technology, ensuring fast and stable connections over long distances. Additionally, its integrated antenna provides a gain of **24.5 dBi**, enhancing signal strength and coverage.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
