Mikrotik R11E-2HPND network card Internal RF Wireless

Model: R11E-2HPND

Manufacturer: MIKROTIK

EAN: 4752224002587

Product Code: 1576651

R1,267

The **MikroTik RouterBOARD R11E-2HPnD** is a high-performance **MiniPCI-e** wireless card designed to deliver exceptional connectivity in a compact format. This product is ideal for users seeking to enhance their network capabilities without compromising on space. With its robust design and advanced features, the R11E-2HPnD is a reliable choice for both home and professional environments.

Equipped with a powerful **2.4 GHz** radio, the R11E-2HPnD supports a maximum output power of **2000mW**, ensuring extended range and superior signal quality. This model is part of MikroTik's renowned line of wireless solutions, which are known for their durability and efficiency. The **MMCX** connector allows for easy antenna attachment, making it versatile for various applications.
