Continue to work within your own computing environment. GROUP is compatible with most video software applications – including the ones you’re already using.

Certified for Skype for Business™ Certified, Optimized for Microsoft® Lync, Cisco Jabber® and WebEx® compatible. Enhanced integration with Logitech Collaboration Program (LCP) members.

Customizable setup

Customize your room setup with multiple mounting options. Use the camera on the table or mount it on the wall with the hardware provided. Conversations are clearly heard within a 6m/20-foot diameter around the base with the standard equipment. You can extend the range to 8.5m/28-feet for larger rooms with optional expansion mics.
