

Mikrotik ACMMCXRPSMA coaxial cable 0.26 m MMCX RPSMA Multicolour

Model: ACMMCXRPSMA

Manufacturer: MIKROTIK

EAN: 5711783939764

Product Code: 1576828

R680

The **ACMMCXRPSMA** is a high-quality product from **MikroTik**, designed to enhance your networking capabilities. This **MMCX-RPSMA** connector is an essential component for those looking to optimize their wireless communication systems. With its robust construction and reliable performance, it ensures a stable connection for various applications, making it a valuable addition to your networking toolkit.

Engineered for versatility, the **ACMMCXRPSMA** is compatible with a wide range of devices, allowing for seamless integration into existing setups. This product is particularly useful in scenarios where high-frequency signals are required, ensuring minimal signal loss and maximum efficiency. The

MMCX-RPSMA connector is designed to meet the demands of both professional and personal use, providing a reliable solution for all your connectivity needs.

One of the standout features of the **ACMMCXRPSMA** is its exceptional technical specifications. It supports a wide frequency range and boasts a durable design that can withstand various environmental conditions. This makes it an ideal choice for outdoor installations or areas with challenging conditions. The **MikroTik** brand is synonymous with quality, and this product exemplifies their commitment to delivering high-performance networking solutions.

In summary, the **ACMMCXRPSMA** from **MikroTik** is a reliable and efficient choice for anyone in need of a high-quality **MMCX-RPSMA** connector. With its impressive technical capabilities and robust design, it is well-suited for a variety of applications, ensuring that your networking setup remains efficient and effective. Trust in the **MikroTik** name for all your connectivity needs.
