Mikrotik 48V2A96W power adapter/inverter Indoor 96 W Black

Model: 48V2A96W

Manufacturer: MIKROTIK

EAN: 5706998244574

Product Code: 1576893

R1,316

Introducing the **Mikrotik 48V2A96W** power supply, a reliable solution designed for your networking needs. This **internal power supply** is engineered to deliver consistent performance, ensuring your devices operate smoothly and efficiently. With a robust output of **48V** and a maximum current of **2A** , this power supply is ideal for various applications, making it a versatile choice for both home and professional environments.

The **Mikrotik 48V2A96W** operates within a wide input voltage range of **100 - 240 V**, accommodating different electrical systems worldwide. This feature makes it an excellent option for users who require flexibility in their power supply solutions. Additionally, it supports an input
