Ubiquiti Network Management Software simplifies remote network management.

Super Antenna

Innovative Super Antenna provides wide-area coverage beyond regular Wi-Fi access points.

24V PoE Passthrough

The airCube can be powered by and provide power to an airMAX CPE using 24V PoE.

UMobile Support

Use the intuitive UMobile app for iOS and Android to install and configure airCube.

Sleek Design

The airCube's attractive design means it can be positioned anywhere in the room, improving Wi-Fi performance.
