

Mikrotik SAW30-240-1200GR2A power adapter/inverter Indoor Black

Model: SAW30-240-1200GR2A

Manufacturer: MIKROTIK

EAN: 5704174382829

Product Code: 1577013

R765

The **Mikrotik SAW30-240-1200GR2A** is a high-quality internal power supply designed to meet the demands of various networking applications. With a robust design and reliable performance, this power supply is an essential component for ensuring the optimal functioning of your devices. It is specifically engineered for use with Mikrotik products, making it a perfect choice for users seeking compatibility and efficiency.

This power supply operates at a voltage of **24 V** and converts **AC** to **DC**, providing a stable and consistent power source for your networking equipment. The **SAW30-240-1200GR2A** model is designed to deliver the necessary power to support various Mikrotik devices, ensuring they operate smoothly and efficiently. Its internal design allows for easy integration into your existing setup.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
