

Mikrotik XS+DA0001 InfiniBand cable 1 m SFP/SFP+/SFP28 Black

Model: XS+DA0001

Manufacturer: MIKROTIK

EAN: 5704174320821

Product Code: 1577065

R1,119

The **Mikrotik XS+DA0001** is a high-quality **1-meter cable** designed for seamless connectivity in networking applications. This product is part of the renowned **Mikrotik** brand, known for its reliable and innovative networking solutions. The XS+DA0001 model is specifically engineered to support **SFP**, **SFP+**, and **SFP28** interfaces, making it a versatile choice for various networking setups.

Featuring **male connectors** on both ends, the **Mikrotik XS+DA0001** ensures a secure and stable connection between devices. This cable is ideal for connecting switches, routers, and other networking equipment that utilize **SFP** modules. Its robust design guarantees durability and performance, making it suitable for both home and enterprise environments.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
